SASKATCHEWAN DESIGN WEEK

SK DESIGN WEEK is returning to Saskatchewan in November 2023. The biennial event, organized by the Design Council of Saskatchewan (DCS), invites the public to learn about the different areas of design through a series of free lectures and other educational events. The week concludes with the 2023 Premier's Awards of Excellence in Design Gala, recognizing great design work completed right here in our province. With a largely virtual program in 2021, we look forward to hosting these exciting events in person this year.
